

RIVA2 600 GAS FIRES

# STYLE SOPHISTICATION VERSATILITY

New for 2019, the Riva2 600 offers magnificent flame visuals, impeccable styling and a truly versatile form-factor.

Creating a beautifully natural display, this high efficiency gas fire features a stunningly detailed log-effect bed with multiple flame ports. Specially designed non-reflective glass ensures complete visual clarity.

Riva2 600 Edge with Brick-effect lining

Riva2 600 Designio2 Steel with EchoFlame Black Glass lining

A selection of fire linings gives you creative control over your Riva2 600 fire. Enhance the depth and definition of the flame picture with EchoFlame Black Glass, or opt for the Brick-effect or Ledgestone-effect linings for a classic fireplace feel.

The Riva2 600 is designed to be installed as a hole-in-the-wall Edge fire, integrating seamlessly with your interior. For added presence, sophisticated glass and steel framing options let you further customise your fire to create a statement focal point.
